### 18 HOLES OF CHAMPIONSHIP GOLF

Opened in 1925, Lake Lawn's championship golf course came of age in 1990 at the hands of Dick Nugent, renowned course architect behind Kemper Lakes. Hugging over two miles of shoreline with stately oaks and undulating greens, Lake Lawn's course is widely celebrated for its subtleties – right down to the carts, pro shop and annual membership programs.

#### A CHALLENGE FOR THE SCRATCH OR NOVICE GOLFER

When it comes to the green, little things tend to add up. That's why upgrades such as Real-time ProLink Scoring systems in every cart and multiple tee boxes at every hole are giving players a competitive advantage. For a leg up on the competition, take a few swings on our driving range, and putting and chipping greens, or sharpen your skills with private or semi-private instruction from our award-winning PGA professional, Dan Drier. Group lessons, tournament coordination and group play are also available upon request.

#### A COMPLETE PRO SHOP WITH CLUBS TO RENT

Offering a wide selection of the latest drivers, woods and putters, as well as an extensive line of resort fashions featuring new colors, styles and moisture-wicking tech fabrics, our Pro Shop is one stop you won't want to miss. Let our PGA trained staff properly fit the latest Cobra and Mizuno clubs to your game.

For those who forgot their clubs or simply want to travel lightly, we offer a wide range of rental clubs sure to fit players of all abilities.
